RE: Transportation Update

Due to the closing of Kelly Rd. bridge on 4/14/14, we are asking your assistance regarding your child's bus route. **Rt. 1 will now be serviced by bus 1165, Mr. McDonald in the PM only effective Monday afternoon (4/14), and will continue until the last day of the traditional school year (10-month). Mr. Calvin will continue to drive the AM route, and will take over the PM when traditional is out for the summer break.**

Mr. McDonald will be arriving at Olive Chapel in the afternoons approximately 4:00-4:05. Please be prepared to meet your child(ren) at their assigned stop(s) earlier than normal.

Thank you for your cooperation and patience as we strive to provide safe and efficient transportation. I hope you will find this necessary change beneficial to all involved. Please contact our office if any questions or issues.
